A Futuristic two-day Conference

ERA OF DISRUPTION: EXPLORING THE FUTURE

November 29-30, 2024 Shillong

by
NATIONAL LAW UNIVERSITY MEGHALAYA

Knowledge Partner
Deloitte

REIMAGINE, DISRUPT, RECREATE

Ignited Minds

Confluence of policy makers, thought leaders, futurists, experts to explore the future in this era of ever accelerating change & disruption.

Impact/Takeaways

Insights into anatomy of disruption, plausible/ possible futures, ways to tap power of technology, and new paradigms for governance, legal systems & organizational excellence. Learn the new mantra of " Reimagine, Disrupt, Recreate" to become leaders in respective fields.

Speakers

Top level leaders from state government, eminent jurists/ legal luminaries, thought leaders from academia, technology experts & consultants.

Purpose of the Conference

To seed a collaborative network of high quality individuals & institutions, for exploring disruptions and blazing new pathways to Co-Create the Future, by Reimagining & Recreating Key Systems like:

- ✓ **Law and Legal Systems:** Impact of AI calls for new principles & paradigms in law & regulation, and reshaping how justice will need to be delivered & how lawyers will practice.
- ✓ **Governance:** Disruptive technologies require new forms of governance that are both human-centric and tech-powered.
- ✓ **Society:** Addressing how society can adapt to these rapid technological shifts and ensuring that no one is left behind.

Key Themes

- 01 Reimagine the World; Shape the Future
- 02 Governance & Law of Tomorrow
- 03 Managing Disruption: AI & Beyond

AI generated session-wise summary & takeaways will be shared at end of each day.
